CITY OF ROME GREEN WASTE AND BRUSH PICKUP

The Department of Public Works will begin the collection of green waste and brush pickup for the inside corporation district starting April 11, 2011. The City of Rome Department of Public Works will pick up your green waste the day before your regular rubbish pickup day. For example if your rubbish day is Tuesday, your green waste will be picked up on Monday. This schedule will continue into our leaf schedule begins.

EACH CONTAINER OR BAG SHOULD NOT WEIGH MORE THAN 50LBS

Please use either (5) five 30 gallon containers or (5) five 45 gallon clear plastic bags from April 11th through May 27th, 2011. **Beginning May 31st the city will continue picking up the green waste but on an every other week basis with the same quantities.** The city will pickup green waste on June 6th, then June 20th, and after this every other week. This green waste schedule will be in effect until we begin our leaf schedule some time in early November. Please remember that any foreign matter such as paper or garbage should not be commingled with green waste. Also, do not put stones, concrete, blacktop, and animal feces in with your green waste. Brush pickup ends at the street effective after June 2nd; if the city does not have time to pickup all brush piles by then it is up to the homeowner to get rid of the piles themselves. Brush pickup is included as one of your (5) clear bag and (5) container pickup, and will be picked up on an every other week basis as of May 31st, 2011.

IN addition to inside district collection, Rome residents can take their green waste and brush to the Transfer Station off of Race Street, during normal working hours 7:45 AM to 3:30 PM Monday through Saturday. Transfer Station users are responsible for emptying cans or bags of green waste and taking their containers home with them.

ANY QUESTIONS PLEASE CALL D.P.W. @ 339-7778

THANK YOU FOR YOUR COOPERATION
